PROFESSIONAL EXPERIENCE

AI Generalist | Creative AI • Video, Audio & Music Production | Pharoscion Global May 2025 – Present
Remote

- Produced and directed AI-assisted brand film combining scripting, visual generation, editing, motion design, and sound design.
- Developed AI-powered content creation pipelines for marketing, branding, and storytelling initiatives.
- Created original music, audio assets, and sonic branding elements to enhance digital campaigns and brand experiences.
- Experimented with multimodal AI systems across text, image, video, voice, and music generation to identify practical business applications.
- Designed creative concepts, campaigns, and narrative frameworks aligning technology with business and brand objectives.
- Researched and evaluated emerging AI tools, workflows, and automation opportunities to improve production efficiency and creative output.
- Developed an Instagram storytelling reel achieving **12K+ organic views**; reduced content turnaround by 66% (3 days → 1 day per reel).

Operations Support | Erie Meats Dec 2024 – May 2025
Listowel, Ontario, Canada • On-site

- Troubleshoot discrepancies by clarifying needs, reviewing records, and implementing practical fixes.
- Responded to time-sensitive internal requests and operational inquiries, ensuring high-quality resolutions.
- Maintained accurate documentation for inventory movement; followed SOPs and escalated concerns to leadership when required.

Freelance Multimedia Creator | Music & Visual Content Production | Self-Employed Jan 2016 – Present
Remote

- Supported sleep music YouTube creators with multimedia production and branded visuals.
- Distributed original music via DistroKid and Pond5; managed catalog monetization and sync licensing.
- Improved production efficiency using AI-assisted design and editing workflows.

Business Development Consultant | Pharoscion Global Jul 2018 – Oct 2022
Pune, Maharashtra, India • Hybrid

- Identified client needs through discovery conversations and delivered solution-focused recommendations aligned with business goals.
- Managed high-level client communication across the full sales cycle, building trust through responsiveness and structured follow-ups.
- Collaborated with internal stakeholders to improve brand messaging and strengthen customer engagement processes.
- Handled multiple accounts simultaneously, consistently meeting strict deadlines and maintaining high service standards.

PROJECTS

Selected AI content and creative projects:

- **Pharoscion Brand Anthem:** Directed and produced a full AI-assisted brand film for Pharoscion Global. Concept, scripting, visual generation, sound design, and motion graphics integrated into a single cohesive narrative. [▶ Watch](#)
- **Instagram Storytelling Reel (12K+ Organic Views):** Conceived, scripted, and produced a short-form AI video reel that achieved 12K+ organic views with zero ad spend, demonstrating end-to-end AI content pipeline capability.
